SMS LEDDY WALL/FLOOR
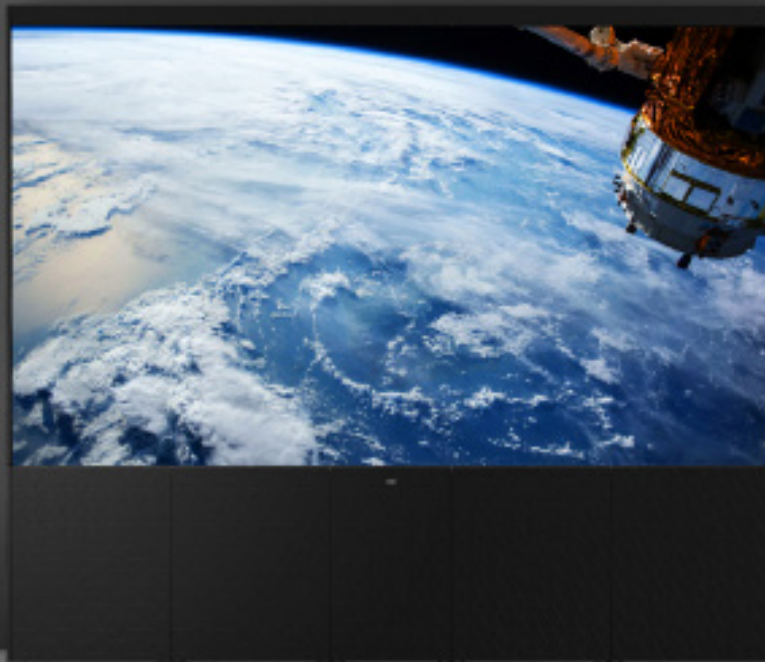

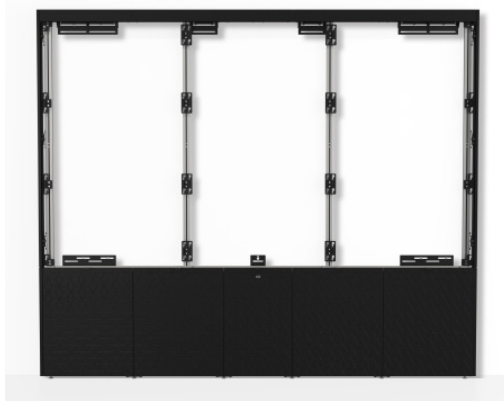

The perfect companion to your LED display

SMS Leddy Wall/Floor is a flexible product that can easily adapt to new configurations and all-in-one LED display solutions. This pre-configured stand is designed to fit Samsung IER-series LED display.

An elegant Scandinavian design with a wooden frame makes it easy to integrate the product with the surrounding environment. The stand itself uses very little floor space and is perfect in small spaces where a bracket with legs are in the way.

SMS Leddy is quick and easy to install as it to a large extent comes pre-mounted. Elegant storage space below the display where cables and peripherals are hidden inside.
