## Put a spin on things

### A rotational mount for your displays and flipcharts

SMS MultiMount Flipster Wall is a rotational, flexible, and clever display-mount, designed to hold touch displays and interactive flipcharts from approximately 32" to 65". You can easily rotate the display from landscape to portrait orientation by hand – no tools needed!

SMS MultiMount Flipster Wall ensures an ergonomic and enhanced user experience. Everything needed is included, simply an elegant installation for your innovative workspace.
