

## FUNC MOTORIZED EXTENSION KIT

SKU: N/A

Sometimes you want the display to rise further from the ground.

Maybe you have a large display that is partley hidden behind a desk or conference table or you have a touch display in combination with tall users? This extension kit will add 225mm extra height to your motorized Func Mobiles and Wall/floor stands. The extensions are placed on top of the motors and are often hidden behind the display when being used.
