

ICON FH MT600

SKU: N/A

Meet the updated version of an Iconic stand.

Icon FH MT600 gives your large screens mobility and keeps them close to the ground for easier viewing. The Icon FH MT600 gives you an easy way to increase the functionality of your room and screen. It is well-built and reliable as well as an attractive addition to any room – especially popular in TV studios. Screens can be tilted upwards for the best viewing angle. Annoying cables and wires can be hidden inside the bracket. Moving something so heavy has never been so easy.

The X-shaped foot is both sleek and functional and goes through the complete Icon FM & FH range for a uniform look.

Special functions

The adapter plate is user-friendly, and is easy to mount and adjust. The Func Flatscreen H Unislide is included in the delivery.
