Get your message through

Meet and inspire your visitors with attractive content inside the shopping mall, in the hotel lobby or at the airport. An excellent choice for retailers or anyone who want to meet the public with engaging messages.

Portrait or Landscape? Yes, both!

The product can be used both in portrait and landscape mode, depending on the needs of your installation.

Clean look

The sleek design of the Casing Ceiling Landscape/Portrait with efficient cable management, via cable guidance through the ceiling pipes (ordered separately) makes the installation look neat. The casing covers the bezel, sides and backside of the display.

NB! Use our ceiling mount Func Ceiling for Casing L/P for ceiling installations.
