Updated and improved! An ergonomic and flexible product that is easy to move and easy to install. Attractive and elegant on all sides, and thus able to be placed in the center of the room. For moving the display smoothly to another room, choose the wheel base with four sturdy and elegant castors, all are equipped with wheel brakes. The pre-factory assembly of the Presence series means that installation is easy and quick.

The design of the Presence series is, furthermore, protected.
