

PROJECTOR SHORT THROW V+

SKU: AE013050-P1

A wall bracket with generous adjustment facilities to obtain the best possible image quality at all positions. The projector can be suspended at any location along the pillar for depth adjustment. Furthermore, the wall plate can be adjusted both horizontally and vertically. Fine adjustment is very easy with the aid of adjustment knobs on the universal slide.

To get a complete product two articles are required:

- One article including the wall bracket and Short Throw unislide
- One article including the projector pillar (in proper length):
