

## X WFH S

SKU: PD091001-P0

This unit can be used for displays up to 50 kg. It provides ample facilities for adding shelves and cabinets. The display can be mounted on the stand in both a vertical and a horizontal position, and at selected positions along the column. Ingenious and secure universal fittings. Electrical power socket can be installed on the rear of the column, as an option.

The X series is characterised by clean and refined features. The cable holder, for example, into which it is easy to place all cables by hand. The surface finish has also been given extra attention.

*NB! When mounting a touch display, please choose our Presence or Func series.*
